Remember to pack wisely – only bring the essentials, you are only going for three days!!!

Remember!!

It is strongly advised that mobile phones are not brought to camp. The teachers can call parents/carers if required, students do not need to bring phones. If you bring mobile phones or cameras or any expensive items to camp, the school will NOT be held liable if these items are damaged, lost or stolen. These items are to be brought at your own risk and are your responsibility. Students will only be allowed to access phones when instructed by supervising teachers. At all other times, all phones will be switched off and out of sight. If a student does not follow these instructions, phones will be confiscated and locked in a teacher's room until we leave camp. All other digital devices such as speakers, MP3 players are not permitted.
