

Behaviour code for students

Information for students and parents or carers

NSW public schools are committed to providing safe, supportive, and responsive learning environments for everyone across a range of settings. We teach and model the inclusive and safe behaviours we value in our students.

In NSW public schools students are expected, to the best of their ability, to:

- show respect to other students, their teachers and school staff and community members
- follow school and class rules and follow the directions of their teachers
- strive for the highest standards in learning
- act in a courteous and respectful way that makes all members of the school community feel valued, included and supported
- resolve conflict respectfully, calmly and fairly
- meet the school's agreed uniform policy or dress code
- attend school every day (unless legally excused)
- respect all property
- be safe and not be violent or bring weapons, illegal drugs, alcohol, vapes, e-cigarettes or tobacco into our schools
- not bully, harass, intimidate, or discriminate against anyone in our schools.

Schools take action in response to behaviour that is detrimental to self or others or to the achievement of high-quality teaching and learning.

All students have a right to:

- safety at school
- access and fully participate in their learning
- be treated with respect by other students, teachers and school staff
- express their views, set goals and self-advocate.

The principal and school staff, using their professional judgment, are best placed to maintain discipline and provide safe, supportive and responsive learning environments and apply an appropriate action when students are not meeting these expectations. The department is responsible for the provision of a policy framework and resources such as legal issues bulletins, access to specialist advice, and professional learning to guide principals and their staff in exercising their professional judgment. In this context, the NSW

Government and the Department of Education will back the authority and judgment of principals and school staff at the local level.
