### Year 7 2022 Orientation Website

The Year 7 2022 Orientation program moved online this year, with a Google Site and Zoom meeting to provide a positive orientation experience for all students and families. The website contains detailed information about the school, the BYOD and iThrive programs, sample timetables, a school map, canteen information and lots more. Check out the Google Site by clicking this link <https://sites.google.com/education.nsw.gov.au/yr7-22-osite/home> . On Tuesday, 30 November we hosted a Year 7 2022 Orientation Zoom meeting for all Year 6 students and families. We were pleased to 'meet' so many of our students and families and answered lots of important questions. Orientation packs have now been delivered to each primary school with lots of important information, including the school General Information Guide, BYOD handbook, P&C information, uniform and canteen details plus much more. We are all looking forward to meeting our Year 7 students on the first day of school, Tuesday 1 February 2022 and supporting our students on their high school journey.

### SPORT REPORT

#### Sydney South West Open Girls Netball

On 15 June 2021, some of our best netballers participated in the Sydney South West Open Girls Netball Knockout Carnival at Coronation Park, Minto. The girls finished the competition with four convincing wins and one draw, placing them at the top of their pool. They played against Sefton, St John's Park, Sarah Redfern, Leumeah and Sir Joseph Banks High Schools. The girls played with great skill and determination, well done! The team have also qualified for the second day of competition. Congratulations to the team: Kenzie Benson, Larissa Kuhn, Aleah Fulton, Imogen Berghan, Teejae Broughton, Mackensie Dalziel, Jaymee Cuskelly, Mariah Tatham, Isabella Passalis and Lexi Dredge. A very big thank you must also go to Leela Hayward, who umpired for our school on the day.
