Year 12 Hospitality

Our senior students have been busy honing their hospitality skills with the re-opening of 'The Deck Café. The class are required to work collaboratively in the planning of menu items and then communicate as a team in the preparation and serving of food items to the school community.

The hours of work that this exercise requires counts towards their accumulative hours for service periods in the VET subject area. Our students have progressed in their skills and knowledge with acknowledgement of teamwork goals. Ms Angelone and Ms Buller congratulate all students on their efforts so far this term.

Wrap with Love update

Thank you to everyone who has donated so far for the Wrap with Love project. Staff and students started knitting squares on Tuesday 31 May. We plan on having our knitting/crocheting meetings every Tuesday at recess and every Friday at lunchtime. Please continue to send through donations of wool and knitting needles to the office or with your child on Wednesday and Friday mornings to receive quick merits.

Ms Lamaro - Deputy Principal

This winter PPHS staff and students will be helping others by participating in the 'Wrap with Love' charity. You can help by donating leftover wool, knitting needles, crochet hooks, or 25x25cm knitted or crocheted squares, or completed blankets. Please ask your relatives and friends to get involved too.

Donations can be left at the front office for Ms Lamaro.
School staff will assist interested students who want to learn how to knit or crochet in the Library at recess on Technology Free Tuesdays.
