Your Community School Promoting Excellence

Term 1 Weeks 5 & 6 Picnic Point High School Update

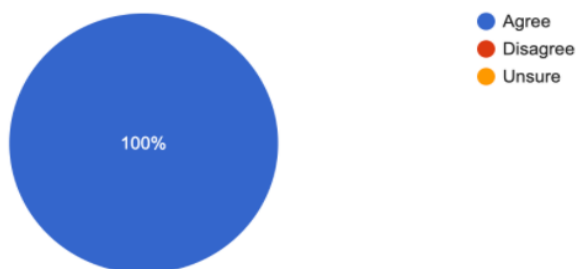

11 March 2022

Year 7 Information Night

On Tuesday, 8 March we held our Year 7 Information Night for parents and carers via a Zoom webinar. We had a majority of our parents attending online despite the poor weather. The full recording of the presentation can also be accessed via the link here <https://www.wevideo.com/view/2595068883>. Survey results from the night are very positive as seen in the responses below.

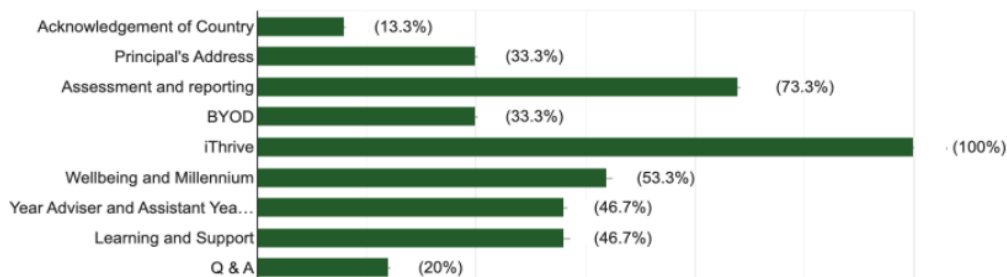

As a Year 7 parent/carer at Picnic Point High School, I found this information session very worthwhile.

Kind regards
Ms Lamaro

I found the following areas of the presentation most beneficial to me as a Year 7 parent/carer (you may choose more than one).

Library News

Now that cohorting has finished, the library is now open to all students at recess and lunchtime and we look forward to having you visit, borrow books, study and use computers! Keep an eye out for our changing book displays.

PPHS Library is lucky to have eBooks and AudioBooks that can be accessed anywhere, anytime, on multiple devices. This can be by using a direct web link <https://picnicpoinths.eplatform.co/> or download the app to your device/devices!

Signing in is as simple as selecting our Library 'Picnic Point High School' and then use your school username and password.

Happy reading!

Ms Francis
Library

Congratulations to the Year 10 High Achievers.

The Deputy Morning Tea was on 24 February for all student who achieved outstanding or most improved reports in Semester 2, 2021.

REMINDER—YEAR 8

Check in Assessments—Week 8, 24 & 25 March

Headphones or earphones are required as audio files are available for various aspects of the assessments

Peer Support Program

The break in the weather was greatly welcomed by our Year 10 Peer Leaders who on Friday 11 March, met their Year 7 student groups and commenced the Peer Support Program.

What is the Peer Support Program?

The Peer Support Program provides a fun and engaging environment for young people to address social issues. Modules are designed to equip young people with skills to deal proactively with life experiences. The Peer Support Program promotes wellbeing which encourages positive relationships, connectedness and a sense of responsibility.

The Module being facilitated by our Year 10 Leaders is 'Rethinking Challenges,' which builds resilience in our students and develops the skills of perseverance, critical thinking, optimism, communication and empathy. The Module runs for 5 periods over 4 weeks.

How does the Peer Support Program work?

Our Year 10 Peer Leaders have completed training that assists them to facilitate structured activities with groups of 10 Year 7 students, supervised by a teacher. This is a great opportunity for our older students to connect and mentor our younger ones.

Friday was filled with lots of fun activities that focused on making connections, working together and learning about Picnic Point High School.

Ms Hagan
Student Support Office
