UNIVERSITY

STEM at University of Sydney

STEM courses open up a world of opportunity

As new fields of STEM employment continue to emerge, it's important for today's graduates to be agile and able to adapt their skills to this fast-changing global economy.

What can I do with a STEM degree?

The range of STEM careers is broad and diverse, from biomedical engineering and software development to psychology and accounting. Our graduates are leading varied and fulfilling careers - we've taught Australia's first astronaut, an Antarctic explorer, a chief scientist and a Nobel laureate.

The future is looking bright for tech innovators and critical thinkers, and our degrees can help you get an edge over the competition.

Our purpose-built labs, teaching and learning hubs are home to the latest technology and equipment, providing you with an engaging and hands-on educational experience. Find out more about the [Faculty of Science](#), [Faculty of Medicine and Health](#) and the [Faculty of Engineering and IT's](#) laboratories and facilities.

Why you should study History, Society and Culture – University of Sydney

27 October 2021. 4.45pm

If you are fascinated with the study of history, society and culture, it's great to know where study in these fields can lead you! Did you know that humanities degrees are the most common degrees among directors of Australia's 100 biggest public companies? The critical skills you develop while studying can lead to a wide range of exciting career opportunities. Join us for this online session to discover why you should study a humanities degree!

https://uni-sydney.zoom.us/webinar/register/WN_237O0lqcR6qrQB81UxQldg

Discover why the Bachelor of Commerce at the University of Sydney should be your UAC first preference

3 November. 5pm

Don't miss out on this final opportunity to find out everything you need to know about studying the Bachelor of Commerce at the University of Sydney in 2022.

Learn how you can take advantage of our hands-on internship placement opportunities and tailor your degree from over 100 study areas, including marketing, banking, finance, innovation, entrepreneurship, business analytics and many more.

Ranked #1 in Australia and #4 in the world for graduate employability* (ahead of Harvard, Oxford and Cambridge), join this session to learn how a Commerce degree at Sydney will equip you with the analytical, practical and leadership skills along with a global mindset to launch your career in any field, anywhere in the world.

https://uni-sydney.zoom.us/webinar/register/WN_FAu9f1uLQKKpGBh3TPN6w

Experience it! Sydney University

Tuesday 9 November – currently planned to be online in-school immersion

Open to female school students from Years 7 – 10 from NSW & ACT. If you like designing solutions to problems, want to contribute to society and make a difference in the world – come and see what engineering is about!

A full day of experiential engineering activity organised by Engineers Australia Sydney's Women in Engineering Society and featuring inspiring collaborations between 6 universities and 6 engineering businesses.

For more information, please contact stemnsw@engineersaustralia.org.au.

<https://www.engineersaustralia.org.au/node/43381>

Enter the world of Women in Engineering at the University of Sydney

Creating the perfect environment for STEM's future female leaders

More women than ever are choosing to study engineering and computing at the University of Sydney, and it's easy to see why. With scholarships for women, high school outreach programs by girls for girls, female student societies and high-calibre female lecturers and researchers, it's no wonder the proportion of undergraduate female students at the University of Sydney is double the national average.

<https://sydney.edu.au/engineering/study/why-study-here/women-in-engineering.html>

University of Sydney - Current School Leavers - University Bridging Courses Online

Biology, Chemistry, Mathematics Ext 1, Physics

Registrations will open in January 2022. [Sign up to our Bridging Courses 2021-2022 mailing list](#) to receive new course updates.

For some courses or units of study, we assume you have reached a certain level of knowledge or have passed a relevant subject at Australian Year 12 level, such as the NSW Higher School Certificate (HSC) or equivalent.

Bridging courses are open to everyone. You don't need to be commencing study at the University to register for a bridging course.

If you have any questions about registering, contact science.alliance@sydney.edu.au.

<https://www.sydney.edu.au/students/bridging-courses.html?tc=edm|stud|mc-student|edu-staff-hss|%20>

The University of Sydney course calculator

Use our ATAR search tool to explore your course options, adjustment factors and admission pathways.

If you think you might be eligible for adjustment factors, include these in your ATAR estimate to see what courses you might be eligible for based on your selection rank (ATAR + adjustment factors)

Newcastle University 2021 Open Days Online on Demand

We know you probably have a lot of questions about university – getting in, what degree to study, what support is available once you're here. Don't worry, we've put together heaps of webinars to arm you with the information you'll need.

<https://www.newcastle.edu.au/open-day/webinars>

Uni of Newcastle Chat with Us

We know you'll have questions and our staff and students are here to help you every step of the way. Our Ask-a-student and Ask-an-academic pages give you access to current students who study a whole range of degrees as well as the academics that teach them and they'll respond to your questions as soon as possible.

<https://www.newcastle.edu.au/open-day/chat-with-us>

University of Newcastle – Entry Schemes

Whether you are about to start your HSC, are finishing Year 12 or looking to get back into study after a break, we have many pathways and entry schemes to help you get into the degree you want.

<https://www.newcastle.edu.au/study/undergraduate/getting-in/getting-in-from-high-school>

University of Wollongong Learning Labs

January Learning Labs applications open 25 October 2021

Wollongong Learning Labs will be back for a big program in January 2022. We will be delivering workshops for Year 1 to Year 10 students.

Learning Labs is an academic and creative arts enrichment program for students up to Year 10. We're a COVID-Safe program dedicated to providing fun and challenging workshops to motivated young people. Workshops are held in the school holidays at specified UOW campuses.

<https://www.uow.edu.au/engage/outreach-pathways/learning-labs/wollongong-learning-labs/>

Scholarships for domestic students at Macquarie and FAQ

Our scholarship program awards around \$6 million each year in total.

These include scholarships for domestic students based on academic excellence in various disciplines, sporting achievement, and equity and inclusion.

We seek to ease access to tertiary education for students from diverse backgrounds and situations, with scholarships primarily targeting the costs of tuition or accommodation.

<https://www.mq.edu.au/study/why-study-here/scholarships/domestic-scholarships-and-grants>

UNSW 2021 Tim Olsen Drawing Prize Exhibition

Open to view to 31 December 2021

Tim Olsen has been encouraging and supporting young and emerging artists to build careers as professional practicing artists for over 20 years. This collaboration has been continuously supported by the Olsen Gallery and celebrates students who use drawing as a significant part of their artistic practice.

This year's online exhibition provides an opportunity to view impressive works created by the twenty-five finalists who have been nominated by academic staff and then selected for inclusion in the exhibition.

This year's exhibition takes place online and provides a great opportunity to view remarkable works created by the twenty-five finalists

UNSW Innovations in training using artificial intelligence and machine learning

28 October. 12.00 to 1pm

How are the latest immersive technologies impacting a range of sectors? Can Artificial Intelligence (AI) and Machine Learning get you ready for take-off or surgery?

The PVCESE Innovation Pillar is delighted to host an engaging and insightful lunchtime talk by digital immersion leader CAE about innovations in training using AI and Machine Learning.

CAE will share how they have embraced innovation by developing simulation and virtual environments to enhance the training of pilots and brain surgeons to deliver real world results.

There will be an opportunity at the end for a discussion about their immersive learning and simulated training technology. Find out how these insights from a global leader will impact more broadly across industry sectors.

<https://www.events.unsw.edu.au/event/innovations-training-using-artificial-intelligence-and-machine-learning>

Southern Cross University Scholarships

Southern Cross University have updated our scholarships search and application function so it is easier than ever to apply. With one simple application and many scholarships, you can start being considered for scholarships before you even accept an offer to study. Check it out here:

CQUni Pathways - Skills for Tertiary Education Preparatory Studies (STEPS) Course

STEPS is a free enabling course that provides a pathway for you to gain entry to and excel in higher education. For more than 35 years, our STEPS bridging course has helped students into a wide range of courses from our flagship health courses, nursing and paramedic science, to engineering, psychology, teaching and many more.

Your first step towards applying for STEPS requires you to submit your application online to CQUniversity. Once you have submitted your application, you will complete our diagnostic testing to gauge your literacy, numeracy and computing competence. Following this benchmark testing, a STEPS Coordinator will contact you to arrange an interview to finalise your application. Click on the tiles below to find more detailed information on the application process, eligibility and upcoming information sessions.

Ready to apply? Start your online application now using the button below.

<https://www.cqu.edu.au/courses/study-information/work-and-study-preparation/steps>

Register here for the next 2022 Information Session:

<https://www.cqu.edu.au/courses/study-information/work-and-study-preparation/steps/information-session-registration>

ACU Blacktown Campus Information Day

4 December 2021. 9am to 12.00.

Come along to ACU's Blacktown Information Day to check out the newest campus and learn more about our courses, admission pathways and everything ACU Blacktown has to offer.

<https://www.acu.edu.au/about-acu/events/2021/december/blacktown-campus-information-day?redirect=%26FilterBy%3dUpcoming%26Year%3d2021%26PageNumber%3d1>

Pathways to ACU

9 December 2021. 12.00 to 1pm Online

If you didn't receive the ATAR you wanted, don't worry, there's more than one way into university. We'll take you through the entry pathways to ACU, including diplomas and Foundation Studies that can give you access straight into the second year of your preferred bachelor degree.

<https://www.acu.edu.au/about-acu/events/2021/december/pathways-to-acu?redirect=%26FilterBy%3dUpcoming%26Year%3d2021%26PageNumber%3d2>

ACU Guarantee Offers What is the deadline to accept offers?

For competitive courses (outlined below) in NSW/ACT students have until 30 November 2022 otherwise their offer will lapse:

- Bachelor of Nursing
- Bachelor of Nursing/Bachelor of Paramedicine
- Bachelor of Nursing/Business Administration

For all other courses, students will need to finalise their enrolment by 28 February 2022 (Semester 1 commencement date).

ACU Guarantee offers are being released and some of your Year 12 students have received an email advising them to formally accept their offer and enrol in their course to secure their place at ACU next year.

To support you in assisting your students, we have collated some answers to a few frequently asked questions:

To officially accept an offer a student needs to enrol in a minimum of one unit to secure their place at ACU. We would encourage students to enrol in the full year so they can also receive their timetable straight away.

<https://www.acu.edu.au/study-at-acu/admission-pathways/acu-guarantee>

ACU Accommodation Scholarships 2022

Thinking of living at an ACU residence in Sydney, Ballarat or Canberra? We offer a variety of different accommodation options to suit your needs, making it simple to live close to uni. We also have generous accommodation scholarships available for 2022 to support your move. Find out more:

<https://www.acu.edu.au/student-life/student-accommodation/acu-student-accommodation-scholarships>

Le Cordon Bleu Pastry to the Max - Les Fondements de la Pâtisserie

Start date: Tuesday 15 February - Wednesday 16 March 2022

With five mouth-watering weeks of sweet and savoury skills, Les Fondements de la Pâtisserie is the answer to your sugar cravings!

Duration: 5 Weeks, class every Tuesday and Wednesday. 5:30pm - 9:30pm

Location: Le Cordon Bleu Sydney, Ryde

Discover the art of pâtisserie and learn how to create edible masterpieces!

Les Fondements de la Pâtisserie is a 5-week evening short course designed for hobbyists who want to 'step-up' their passion for baking and learn new techniques.

This hands-on workshop will delight your inner pastry chef and is the icing on the cake to your evenings.

Explore the foundations of pâtisserie and develop the skills essential to making cakes, tarts, macarons, choux pastry, entremets, and more. Guided by a top Le Cordon Bleu chef, you will build the confidence to craft your own delectable creations with technique and precision.

Only 16 spots available!

GENERAL

Taronga Zoo Sydney offers school work experience

Applications close 28 February 2022, unless program reaches capacity earlier.

Taronga Zoo Sydney offers school work experience opportunities for students in years 10 – 12 who are interested in pursuing a career in zoo keeping, animal care, tourism or zoo horticulture.

Speak to your school careers adviser who will liaise with Taronga on your behalf.

Work experience undertaken at Taronga Zoo Sydney allows students to:

Observe a variety of work being done in the fields of zoo keeping, animal care, zoo horticulture or guest services and education

Undertake supervised work appropriate to the student's skill level

Ask questions about a zoo workplace

Gain skills related to being at work at the zoo

Investigate training and employment opportunities with Taronga

<https://taronga.org.au/get-involved/school-work-experience/sydney>

Australian Defence Force Cyber Gap Program

Applications are now open and will close Sunday 31 October 2021.

The Australian Defence Force Cyber Gap Program is a 12-month online program that is undertaken in conjunction with tertiary study and is designed to enhance your skills and employability in the cyber security field. If you are already studying or looking to enrol in a cyber-related qualification, the Australian Defence Force (ADF) can offer you generous financial support, along with two cyber exposure experiences to give valuable insight into how you can help protect Australia's online systems and information.

Generous financial support with course fees reimbursement up to \$15,000, and a lot more to offer.

Eligibility for our program

The Australian Defence Force Cyber Gap Program is for Australian citizens, who are living in Australia and are already studying or currently enrolling in a cyber-related qualification. The Australian Defence Force Cyber Gap Program runs for 12 months and to be eligible, you need to be studying for the duration of the 12-month program. You can be working towards any eligible qualification at the following levels either part or full-time:

<https://www.digitalprofession.gov.au/cybergap>

Australian Federal Police - Entry Level Recruit Who we're looking for

We are always on the lookout for candidates with sound academic performance and strong critical-thinking skills.

You must be over 18 to apply for a job at the AFP, but you can still register your interest in joining if you're under 18.

To be a police officer or protective service officer in the AFP, you must:

Be 18 years of age or over (you can still register your interest if you're under 18)

Be an Australian citizen

Hold a valid full, provisional or automatic-only driver's licence

Have at least a Year 10 certificate with a Cert IV/Diploma level qualification or Trade Certificate. University-level qualifications are welcomed

Complete and submit the [AFP Employment Suitability Questionnaire](#)

Provide your traffic history

Undergo security vetting

Undergo drug and alcohol testing

Meet character standards – if you have a history of breaking the law (even as a juvenile) or associating with people who are well-known to law enforcement, you may not be able to work for the AFP.

Visit the [Application and Recruitment Process](#) page for more detailed requirement information.

<https://jobs.afp.gov.au/become-an-officer/eligibility>

AFP - Take our quick eligibility quiz

Interested in becoming an AFP officer? Find out if you're eligible with our quick quiz.

AFP Directions Program

The AFP Directions Program recognises the valuable contributions First Nations people make to policing for a safer Australia. It also helps ensure the AFP's workforce is representative of the communities we serve.

The 12-month integrated employment and development program is located in Canberra and runs annually from February to February. It provides permanent, full-time employment in specialist and support positions in the AFP and gives participants professional development opportunities to have a challenging and rewarding career.

Participants who successfully complete the program will be promoted to an ongoing position with the AFP. Previous program participants have experienced a variety of different career paths, including transitioning to police officer or protective service officer roles.

Financial Wellbeing Youth Design Challenge

Runs up to 25 November 2021

Young people need to be able to navigate the world of finance so they can make good decisions and plan for the future. Financial skills are important both professionally and personally, yet for many people money isn't something we talk about or really understand how to manage. Equipping young people with essential financial skills will help set them up for their future.

Are you choosing a course for the right reasons?

Picking a uni course can be tough. You need to think about what you want to study, how you want to do it and where, while also considering the best path towards your chosen career. There are big differences between courses, so how do you know you're making the right choice?

<https://www.gooduniversitiesguide.com.au/education-blogs/tertiary-study/are-you-choosing-a-course-for-the-right-reasons>

Virtual Camp United Nations for Girls Australia

30 October. 12.00 to 4pm

Virtual Camp United Nations for Girls Australia interactive virtual camp that introduces girls 12 to 16 to the work of the United Nations and international policy. Virtual Camp United Nations begins with a lesson on the history of the United Nations and its purpose. This is followed by a study of the structure, leadership, and the rules of procedure of the United Nations. Each student will be given an assignment to serve as a delegate for a UN Member State. When the General Assembly convenes delegates will propose a resolution. The resolution will be subject to negotiation and amendment by the UN Delegates before a vote on a final version of the resolution.
